Report of Principal and School Improvement Council

E.A. Burns Elementary is a Title I school in North Charleston, South Carolina, that serves 560 students in grades pre-kindergarten through 5, with a poverty index of 98%. The faculty and staff work to create a positive, nurturing environment in which individual accountability and high standards are priority for both teachers and students.

To best prepare students for the demands of 21st century technology and innovation, Burns Elementary has become a personalized learning school. This initiative supports a differentiated and rigorous curriculum through small, flexible groups to best meet the needs of each individual learner and accelerate achievement. Specialized student intervention and enrichment are integrated in each grade level to ensure that each student is given the means necessary to achieve and grow. In addition to school-wide initiatives, faculty and staff participate in personalized professional development to meet their individual needs and increase student achievement. Individual student data from the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) indicate that these initiatives are increasing student achievement. MAP reading data for the 2013-2014 school year shows that 44% of students in grades 1-5 were reading on grade level in the fall of 2013. This increased to 60% reading on grade level in the spring of 2014. Burns Elementary continues to make great improvement towards meeting the school climate, student achievement, and faculty and administration quality goals as outlined in our school improvement plan.

Student leadership and decision making have increased throughout the school as part of the personalized learning initiative. Student leaders have worked with the community and school-district leadership to establish a vision for E.A. Burns Elementary. In addition, the Positive Behavior Intervention and Supports (PBIS) system practiced throughout the school recognizes students making appropriate choices. The primary goal for PBIS is to improve immediate behavior as well as provide students with the life skills necessary for positive and productive decision making outside of school. The PBIS model is shared with families to build strong home-school connections and encourage consistency for students.

Collaboration with community agencies continues to provide needs-based assistance for families. Family initiatives include ongoing parenting sessions, student agenda books, daily homework folders, weekly courier folders, monthly school events calendars, newsletters, calls, emails, progress reports, report cards, notes, and conferences. To enrich the lives of all students, Burns Elementary incorporates fine arts through Engaging Creative Minds and Yo Art, field trips, swimming, ballet, and scouts.

Efforts to encourage family involvement include volunteers, family input on decision-making teams and in building a school vision. Community partners include two local colleges, a local church, the mayor's office, and community organizations that provide support include Communities in Schools, Reading Partners, and Reading with Realtors.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	38
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Edmund A. Burns Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
